## The Coping Self

## **Reflection Moment**

Of the areas of the Coping section in chapter seven (leisure, stress-management, self-worth, and realistic beliefs) how often have you seen clients struggle in these areas? What is your comfort level in helping clients with each of these areas?

This worksheet is from <u>Self-Care for Counselors</u> by <u>Dr. Debra Majewski</u>. It is shared under the <u>CC BY 4.0</u> license with initial funding from the <u>Illinois Secretary of State/Illinois State Library OER Grants</u>. It is disseminated via the Open Education Resource (OER) LibreTexts Project (<a href="https://LibreTexts.org">https://LibreTexts.org</a>).
